I certify that I have read and understand, to the best of my knowledge, the information listed. The medical questions have been accurately answered. I also consent to the performance of any and all procedures and the use of any and all drugs that are agreed to be necessary or advisable. I agree to accept full responsibility for the payment of all fees associated with those procedures or drugs associated with the performance of those procedures. I acknowledge that I am ultimately responsible for the full payment of all such fees and charges. **I acknowledge that payment is due in full at the time of service. I understand there is a 48-hour cancellation policy to avoid missed appointment charges.**

Financial Arrangements
In an effort to hold the line on dental costs while maintaining a superior level of professional care we have established the following payment options:

- Payment is expected at time of service, at which time you will receive a 5% discount for payments paid in full when paying cash.
- Our Financial Secretary will help you with processing credit card payments. We accept Visa/MasterCard/Discover/American Express.
- Outside financing is available with Care Credit, Lending Club and iCare Financial upon approval.
- A $10 billing charge will be added to all past due statements over 30 days.
- You will be presented with the cost of your treatment before the work is performed so that clear financial arrangements can be made.
- Because dental laboratories require prompt payment from us, a down payment from you is necessary to offset our "upfront" expenses. This down payment is to be paid on the day of the final impression for extensive treatment. This includes any and all work that will need to be performed by the dental labs we work with for your treatment.
- We will be sensitive to your financial circumstances within the framework of sound business practices. We want to be concerned with your dentistry, not financial responsibilities.
- Accounts that become delinquent will be turned over to a collection agency or attorney for collections.

A Word About Dental Insurance
We participate in nearly all bonafide dental insurance plans and are eager to help you with your claims. However, we are not providers for Medicare/Medicaid. In this regard we would like to offer the following tips:

- Our office will accept your insurance once it has been verified. Verification usually occurs before your first visit. Patients who have insurance that cannot be verified before their visit will be consider self-paying patients. We will submit your claim once your insurance information has been verified. Please make sure the information you are giving us is correct and complete.
- Take advantage of the pre-treatment estimate feature for the more extensive dental care. Your insurer will provide us with the amount that they will cover in advance of extensive treatment. We will then determine your estimated co-payment portion.
- We are glad to file your insurance for you. However, **please remember that your insurance is a contract between you and your employer. The Center For Progressive Dentistry has nothing to do with what is covered.** If your insurance does not pay your claim in 40 days, you will be responsible for the balance.
- The adult who presents a minor for dental care will be considered the responsible party for payment at time of service.
- All co-pays and deductibles will be due the day of your appointment.

In the event of a cancellation of a sedation or surgical appointment with less than a 48 hour notice, a non-refundable deposit will be applied for the missed appointment.

We ask that you confirm your appointments with us when we call/text/email regarding your appointment. Unconfirmed appointments may be released to another patient waiting to have treatment.

I understand and acknowledge the above policies of The Center For Progressive Dentistry
